

*** Offsite Construction (OSC) Magazine Awards Lunch 2009 ***

Call for Entries - Closing Date 31st July

This year we will be hosting the **3rd OSC Magazine Awards** celebrating all that is great and good about the world of prefabrication and factory-controlled manufacture - from materials, products and systems to construction, design and delivery. Since its launch in 2007, the **OSC Magazine Awards** has now become a staple part of the Construction Awards calendar, being the **only** event of its kind in the UK.

We have a wide range of categories to attract every type and size of project. As ever, we aim to please and reflect the changes in the industry, so this year there are **2 new categories**, plus a special prize rewarding **International Projects**.

All winners go forward to be considered by our expert industry Judging Panel - drawn from all sectors and disciplines within the industry - for the Gold Award for Overall Offsite Excellence. We are now accepting entries for the following categories:

Award Categories 2009

Best Use of Concrete

Best Use of Steel

Best Use of Timber

Best Offsite Health Project

Best Offsite Education Project

Best Offsite Housing Project

Best Demonstration of Sustainability

Best Product or System

Best Small Scheme or Self-Build Project * **new for 2009**

OSC Award for Architecture & Design Excellence * **new for 2009**

International Prize * **new for 2009**

The **final deadline** for Entries for the OSC Awards 2009 is **Friday 31st July**, so please do not delay in requesting an Entry Form today. (If you are really struggling for time, please call a member of the Events Team on 0161 950 4500 Ext 201/208 to discuss your submission.

Don't be shy. Celebrate your winning formula and enter the **OSC Magazine Awards 2009** now!

HOW TO ENTER: *To Enter your Project , Product or System, please simply email awards@oscmagazine.com to request an Entry Form.*

Important: Remember, our 2009 event will be a smart lunch date instead of a traditional evening soirée! It will take place during **Interbuild09** within the NEC itself so attendees have reduced travel, hotel bills and all-round fuss this year. Simple and more sustainable. The date for your diary is **Tuesday, 20th October | NEC, Birmingham**.
