20:20 Vision
Shaping the future of the UK
Construction Industry

Richard Ogden

8 October 2009

Agenda

- **16.30** **Scene setting**
- **16.40** **Future skills & training**
- **17.00** **Client view on future major airport infrastructure**
- **17.20** **Client view on future private hospitals**
- **17.40** **Contractors view of the future**
- **18.00** **Q&A**

What is the theme?

“Exploiting offsite in the future”

Why?

- **We believe in quality offsite manufactured solutions.....**
- **Delivered for onsite assembly**

How?

- **Engage with leading members of the industry and supply chain in both public and private sectors to deliver a step change in the way we.....
design, procure and supply
construction in the 21st century**

Client requirements

- **Cost**
- **Time**
- **Quality**
- **With embedded safety and sustainability**

Buildoffsite will continue to:

- **Promote**
- **Connect**
- **Demonstrate**

From leading members:

- **Best practice**
- **Learning points**
- **Know how**

“collegiate knowledge transfer”

What's new?

- **Discovering offsite visits:**
 - Gazeley – 14 October
 - Brtisspace – 25 November
 - CIRCLE, Bath hospital (date TBC)
- **Lloyds / Buildoffsite accreditation scheme**
- **R&D tax credits – Gareth Edwards ela8**
