

**BAA AND BUILDOFFSITE
MODULAR BUILDINGS SPECIFICATION TO MAXIMISE VALUE
WORKSHOP 2**

Date: 10 April 2007

Time: from 2pm onwards

Location: Buildoffsite, Classic House, 174-180 Old Street, London, EC1V 9BP

Participants:

Open to all Buildoffsite Members and BAA Framework Suppliers that attended Workshop 1.

Format:

Individual companies will book 30 minute sessions to present specific content they would like to see in the resulting specification guidelines to the Review Panel.

These sessions are open to other participants to observe but questioning will be limited to points of clarification.

All material presented and comments made will be deemed to be usable in the guidelines.
