

Enabling collaboration in offsite construction

Agenda

*build*offsite

- **2.30pm - 3.00pm** - Arrival and networking
- **3.00pm - 5.00pm** - Workshop timing
- **5.00pm – 6.00pm** - Tour of the Offsite Demonstrator Apartments
- **7.00pm for 7.30pm** - Members Networking Dinner: -
Non-members may join us at a £30 cost.

- An opportunity to explore the potential of alternative offsite technologies and how to put them into practice effectively.
- Hear from Rotherham District Council about their offsite procurement experience and lessons learned.
- There will be a brief overview of solutions and capability from multiple manufacturers.
- Panel Session and Debate
We encourage all participants to share their experience, ambitions and challenges of shifting offsite delivery models.

Manufacturers Represented

*build***off**site

- Laing O'Rourke
 - Ilke
 - Caledonian
 - McAvoy
 - B&K Structures
 - Elements Europe
 - Elliott
-
- Plus expertise in design, engineering and supply chain.

A chance to ask questions of the expertise in the room and share the experiences and challenges you have faced.

- Introduce yourself & your organisation
- There is no such thing as a stupid question, but....
- A question that takes longer than 10 seconds to ask is not a question
- Please remain non-partisan
- Avoid the temptation for a sales pitch
- Is your question general or to an individual?

MON 05/11
