- Graham Cleland, Berkeley Homes – **Challenges facing Offsite housing viability**
- **11:30 Topical debate and panel session**
- Apprenticeship / Skills / capability - Anne Nortcliffe, Canterbury Christchurch University

### Huge levels of Buildoffsite Activity:

- New Team Members: Joe Dyde – Business Manager  
Sara Kotsani – Communications and Hub Liason (1<sup>st</sup> November)  
Increasing our support for members and external activity.
- Construction Sector Deal: Core Innovation Hub Consortium awarded the bid but not published. Mtc/BRE/CDBB Buildoffsite as a key 'industry engagement' partner
- Innovate UK Funding: Not successful this round, but Buildoffsite will be a focal point for future bids. We will get **you** involved.
- Homes Communities & Local Government: Aligning the standards for Assurance and Insurance: Increasing confidence for clients, reducing the burden for offsite manufacturers.
- Buildoffsite Hong Kong: Commissioned to set up a 'Satellite' Network. An opportunity for UK members to collaborate.
