**Daniel Leech**

**Apex Wiring Solutions** is the UK's leading manufacturer & supplier of modular wiring. Founded in Durham in 1980, the company has forged a global reputation for the supply of cable, cable assemblies & accessories for high and low-level power distribution systems.

**Excel Structures** provide sustainable, reliable & affordable building solutions to deliver homes efficiently & on time. Specialising in a range of systems including timber frame, SIPS, CLT & light steel frame.

**Norwich Regeneration** is a PLC wholly owned by Norwich City Council. Formed to allow the council to seek ways to become more financially self-sufficient by developing commercial opportunities, making it less reliant on dwindling government funding. Established in 2015, the company's flagship project 'Rayne Park' will see the delivery of 172 homes on Bowthorpe's Three Score site which will offer private & affordable homes.
