Homepage > Members Area

Members Area

Welcome to the Buildoffsite members area.

Buildoffsite functions as a business to business in communication and knowledge transfer vehicle.

The organisation has a broad spread of Members ambition and interest in supporting a step-change

One of the important business opportunities that organically through contacts made at Buildoffsite

If Members have a particular need to make contact be able to help with all they have to do is contact

Next Steps

- Populate Comms plan with events, dates etc
- Set dates for future events
- Identify and target external Orgs
- Establish regular collaborative reviews & developments – BoS & Workstream approach
- Opportunity for a Members survey to be reviewed.
