### Workshop 1

#### Nationwide - Offsite Legendary Delivery

##### Case study

##### 09.50 - 10.30

*Nationwide were targeted with the reduction of cost and time of their 300 branch re fit programme. There was experience of offsite construction and lean in their property team the project lead put together a challenge to reduce the fit out period by 50% and cost by 15%. The store was completed in 50% of the time, 15% below budget and without defects achieving 'legendary' delivery status*
