Build for the world we live in

Knauf Readymixed Finishing Solutions

Whether you are a plasterer, taper, decorator, sub-contractor, main-contractor, architect, client or merchant - you will be amazed at what you see.

Each session will include:

- Live demonstrations showing how fast, clean and efficient the system is
- The opportunity to use the spray machine and see the benefits of a premixed finish and the ease of application
- Free breakfast and refreshments for everyone who attends
- Experts will be on hand to offer advice on spray machines

The new way to achieve a quality finish

- ✓ Superior finish every time
- ✓ Quick & clean - No mixing, rapid spray application, fast drying
- ✓ White quality flat smooth finish, less decoration required
- ✓ Less than 1% product waste
- ✓ No onsite direct water supply required
- ✓ Contributes toward BREEAM accreditation
